Be one of the 10,000 people to take part in the world's largest triathlon and raise money to help the charity YouthNet revolutionise online support for 16 to 25 year-olds through our award-winning website TheSite.org.

Starting with a dip in the Thames, race along the closed roads of central London past some of its most famous landmarks including St. Paul's Cathedral, Tower Bridge and the London Eye. You can do the whole thing yourself or get together as a team of three for the relay event.
